## •••• Position Overview ••••

The [Deputy Fire Chief](#) manages multiple divisions including operations, wildland fire, training, community risk reduction, and administration to ensure prevention goals are achieved, the daily emergency response is performed at maximum efficiency and service excellence is provided to the community. The Deputy Fire Chief assists in strategic, tactical and financial planning, development and implementation of policies and procedures, and participates in other administrative duties including the rotation of assigned duties between the operations and support services functions, including life safety, general administration, budget, and capital projects on a periodic basis.

## •••• Position Requirements ••••

A Bachelor's degree in Public or Business Administration, Fire and Emergency Services Administration, Fire Protection Engineering, Finance or related field, plus a minimum of five years of experience as a Fire Lieutenant, or any equivalent combination of education and experience. Ability to obtain a valid Colorado driver's license within 30 days of hire. Have and maintain acceptable background information, including criminal background, credit history and motor vehicle record.

## How to Apply

1. Please submit an [online application](#), complete with cover letter and resume.
2. Writing Assignment: In 750 words or less, describe a time you identified a cultural problem in your organization, the solution you implemented, and the lessons you learned from the process. Please email your completed writing assignment to [ClasenM@BoulderColorado.gov](mailto:ClasenM@BoulderColorado.gov) no later than 5 p.m. Monday, February 23.
